

PEACE RIVER MANASOTA REGIONAL WATER SUPPLY AUTHORITY
REQUEST FOR CONSULTANT STATEMENT OF QUALIFICATIONS
for
TREATMENT TRAINS 5 & 6 REHABILITATION PROJECT
CONSTRUCTION PHASE SERVICES

The Peace River Manasota Regional Water Supply Authority (Authority) is requesting 'Statement of Qualifications' (SOQ) from consultants (Consultant) for the purpose of providing professional engineering services to perform and complete the project known as the 'Treatment Trains 5 & 6 Rehabilitation Project Construction Phase Services' (Treatment Trains 5 & 6 Rehabilitation Project or Project). The work effort may require multi-disciplinary expertise including engineering, architectural, surveying, materials testing and construction management and inspection services.

The Project is located at 8998 SW County Road 769, Arcadia, FL 34269. The Treatment Trains 5 & 6 Rehabilitation Project was designed and permitted by the design engineer-of-record Black & Veatch Corporation and the Authority is now soliciting services of a successor engineer to complete construction phase services for the Treatment Trains 5 & 6 Rehabilitation Project. The Project involves emptying, cleaning, concrete restoration, and protective coating application for six (6) multimedia filters, two (2) solid contact units, and other ancillary concrete chambers and spaces, rehabilitation of the rake drive and rapid mixer drives in the solid contact units. It will include the rebuilding of the six (6) multi-media filters with all new filtration media and associated stainless steel underdrain repairs and the removal and replacement of fifty-six (56) filter control valves and actuators.

An information packet containing details of the Project and the SOQ submittal requirements may be downloaded by visiting the Authority's website (www.regionalwater.org). The Authority will also use DemandStar, a third-party provider, to distribute proposals. Visit the DemandStar website at www.DemandStar.com for more information regarding this service. Participation in the DemandStar system is not a requirement for doing business with the Authority. If encountering any difficulties obtaining the necessary documents, contact Rachel Kersten at RKersten@regionalwater.org, or by calling 941-316-1776. Questions regarding this Request for SOQ must be directed by email to Ann Lee at ALee@regionalwater.org no later than 5:00 p.m. EST on March 2, 2021. All responses to questions and addenda, if applicable, will be posted on the Authority website and DemandStar.

Consultant selection will be in accordance with section 287.055, Florida Statutes, the Consultants' Competitive Negotiation Act, and the Authority's Procurement Policy (adopted December 5, 2018 or latest revision). Consultants desiring to provide these professional services to the Authority must submit their SOQ in accordance with the requirements contained in the information packet to the attention of Patrick J. Lehman, Executive Director, at the address below no later than 2:00 p.m. EST on March 12, 2021:

Peace River Manasota Regional Water Supply Authority
9415 Town Center Parkway
Lakewood Ranch, Florida 34202

Dated this 10th day of February 2021.

Patrick J. Lehman, Executive Director
